

The Lakes Hub Steering Committee

MEMBERS WANTED

The Lakes Hub is a central contact point for the sharing of information with the local communities and the Government about the Lower Lakes Bioremediation and Revegetation project, as well as coordinating the community nursery program, other environmental projects and provide local training opportunities.

The Lakes Hub is seeking expressions of interest from the community to nominate a representative for this committee. Applications need to be received by 26th February to the address below.

The purpose of the committee is:-

- To provide strategic direction for the Lakes Hub project
- To provide community drive and ownership of the project
- To provide guidance and support to the Lakes Hub Coordinator
- To enable an appropriate mechanism to effectively track progress of the project milestones and outcomes
- To manage risk accordingly

The meetings will be held on a monthly basis at the Lakes Hub.

This initiative is managed by the Milang Progress Association Inc and is part of the Lower Lakes Bioremediation and Revegetation Project funded by the Australian Government and supported by the South Australian Department for Environment and Heritage
